20	Non-audit Policy		Non-audit work granted to the incumbent external auditors is subject to Rand limits set by the Audit Committee from time to time. It is considered that the eligibility of the tendering external auditors should not be restricted due to current projects. As such, all eligible tenders received will be considered for the external audit position, irrespective of current non-audit activities performed. It is recognised that a gradual phasing out of non-audit work would have to take place following the appointment within these limits.
21	Timelines		<p>Pg 13 of the RFP states - Though auditors are appointed annually, maximum value can be obtained if the same firms are appointed for a period of 5 years, appointment renewed annually, subject to satisfactory performance.</p> <p>Refer to point 17 above - The appointment will be for the 2015/16 financial year.</p>
