General guidelines

1. Purpose of survey

This survey is conducted to obtain statistical information that is required for compiling a complete set of national financial and economic accounts for South Africa. These accounts will help to ensure that the country continues to meet the specifications of the Special Data Dissemination Standard (SDDS) introduced by the International Monetary Fund (IMF) in 1996.

2. Confidentiality

Information collected will be aggregated and disseminated in the *Quarterly Bulletin* of the South African Reserve Bank and on the Bank's website (<http://www.reservebank.co.za>). All information will be treated as confidential and no individual company's statistics will be disclosed separately.

3. Coverage

Information should relate to all activities of your organisation, but not the activities of foreign subsidiaries and branches.

4. Monetary policy

All monetary values should be reported in **thousands of rand**.

5. Estimates

If accurate information is not available, best estimates should be provided.

6. Reporting method

All items should reflect **actual quarterly data** (i.e. the sum of three successive months) except for item 6, which should reflect **balances** as at the end of the quarter. Information for the preceding quarter should, where applicable, include revised figures.

7. Guidelines for completion

See notes on page 3 before completing this return.

8. Nil returns

This return should be returned to the South African Reserve Bank even in those cases where it contains no information.

9. Duplicate of return

A copy of this return should be retained for reference purposes.

10. Enquiries

Enquiries should be directed to: National Accounts Division, Research Department, South African Reserve Bank, PO Box 7433, Pretoria, 0001; tel. no. 012 313-3840/3914, fax no. 012 313-4013/3759 or on the Bank's website: <http://www.reservebank.co.za/forms>.

11. Postage

A reply-paid envelope is enclosed for mailing your return to the Bank.
