Dear Mr Moraitis

The PP's intention was to release a provisional report today in terms of section 7(9) of the Public Protector Act. If she sign it, I will provide Reserve Bank with a copy. You are correct that all parties cited will be given an opportunity to making submissions prior to the finalisation of any report.

Regards

Dear Advocate,

Our client understands that the Public Protector will be releasing certain reports at 2pm today. In light of the fact that we have not heard from you pursuant to our email below and having regard to the agreement our client has with the Public Protector that our client would be provided with a draft of the report for purposes of making submissions prior to the finalisation of any report, our client assumes that the Public Protector will not be releasing any report today in respect of this matter.

Please confirm that our understanding is correct.

Regards
Chris

Dear Advocate,

The South African Reserve Bank is concerned by the apparent intention to release the report, even if it is a preliminary report, without affording the Bank the opportunity to consider a draft of the report and
