Introduction

This report provides a high-level overview of insurers' financial and risk information, compiled by means of the aggregation of data submitted quarterly by individual South African-registered insurers.

The following should be noted with regards to the data contained in this document:

- data is based on reporting by insurance entities and the prudential standard issued in terms of the Insurance Act 18 of 2017 as implemented in South Africa on 1 July 2018;
- the information is subject to change without notice;
- the calculation of ratios and annual growth is based on actual data and not the rounded figures as indicated in this report;
- the data in this report is for the period ended June 2025.
