In this issue of the Quarterly Bulletin, a new set of tables is introduced presenting statistical information in respect of the South African commercial banks as based on monthly and quarterly data supplied in terms of the requirements of the Banks Act, 1965, and on data made available monthly to the Reserve Bank itself. These tables will eventually replace Table II as hitherto published.

Being based on the revised definitions and interpretations of concepts as contained in the new Banks Act and the official Regulations pertaining thereto, the statistical series presented in these tables should generally be taken to be not strictly comparable with similar data published in Table II. Data should also be considered preliminary and subject to possible revision.

In hierdie uitgawe van die Statistiese Kwartaalblad word 'n nuwe stel tabelle aangebied waarin 'n uiteensetting gegee word van statistiese inligting ten opsigte van die Suid-Afrikaanse handelsbanke soos gegrond op gegewens wat ooreenkomstig die vereistes van die Bankwet van 1965 maandeliks en kwartaalliks verstrek word en op gegewens wat maandeliks aan die Reserwebank self ter beskikking gestel word. Hierdie tabelle sal met verloop van tyd die plek inneem van Tabel II soos dit tot dusver gepubliseer is.

Aangesien die statistiese reekse wat in hierdie tabelle aangebied word, berus op die gewysigde omskrywings en vertolkings van begrippe soos vervat in die nuwe Bankwet en op die amptelike Regulasies wat daarop betrekking het, behoort hierdie gegewens oor die algemeen beskou te word as nie streng vergelykbaar met soortgelyke gegewens wat in tabel II gepubliseer is nie. Verder behoort die gegewens ook beskou te word as voorlopig en onderhewig aan moontlike hersiening.
