1. A consolidation of the balance sheets of institutions within the banking sector, i.e. the South African Reserve Bank, the former National Finance Corporation, Corporation for Public Deposits and the so-called "pooled" funds of the former Public Debt Commissioners, discount houses, the short-term business of the Land Bank, commercial banks, merchant banks and other general banking institutions. Coin in circulation is included in this consolidation.
2. In circulation outside the banking sector.
3. Deposits of the private non-banking sector with the banking sector. Foreign deposits and government deposits are excluded.
4. "Government" consists of the South African Central Government (including the former Public Debt Commissioners and the Public Investment Commissioners, but excluding the SA Transport Services and the Department of Posts and Telecommunications), provincial administrations and the governments of the former home lands which have become independent. All transfers to the Stabilization Account are also included, as are deposits of the International Monetary Fund with the South African Reserve Bank arising from drawings on the super reserve tranche or reserve tranche.
5. From January 1987, this item includes "foreign finance in the banks' own name on-lent to clients".
