KB145

1. A consolidation of the balance sheets of institutions within the monetary sector, i.e. the South African Reserve Bank, the former National Finance Corporation, Corporation for Public Deposits and the so-called "poor" funds of the former Public Debt Commissioners, the Land Bank, Post Office Savings Bank, private deposit-taking institutions (solvency banks, discount houses and equity building societies) and mutual building societies. Cash in circulation is included in this consolidation.

2. Deposits of the private non-monetary sector with the monetary sector. Foreign deposits and government deposits are excluded.

3. "Government" consists of the South African Central Government (including the former Public Debt Commissioners and the Public Investment Commissioners, but excluding Transport and the Department of Posts and Telecommunications), provincial administrations and the governments of the former homelands which have become independent. All transfers to the Stabilisation Account are also included, as are deposits of the International Monetary Fund with the South African Reserve Bank arising from drawings on the super reserve tranche or reserve tranche.
