- The information on this page is an analysis of the Statement of Revenue collected which is published monthly in the Government Gazette. This Fund was established on 1 April 1976 and was preceded by the Consolidated Revenue Fund which comprised the Revenue Account, Loan Account and the South West Africa Account. Up to 31 March 1980 the State Revenue Fund consisted of the State Revenue Account and the South West Africa Account but since then comprises only the State Revenue Account. From April 1980 the South West Africa Account was replaced by the Central Revenue Fund which was administered by the Treasury of South West Africa.
- To preserve data comparability, the components of revenue collected also include receipts of customs, excise and sales duty on behalf of the Central Revenue Fund and the former South West Africa Account as well as amounts due to neighbouring countries in terms of Customs Union agreements.
- Including income tax on gold mines.
- Before 1983 sales duty is included and from October 1991 value-added tax is included.
- Including stamp duties and fees, transfer duties, interest and dividends, and other inland revenue.
- Including the ordinary levy from October 1989.
- Mainly in terms of Customs Union agreements.
- Excluding discount.
- Including foreign funds with the PIC invested in a floating rate stock.
