- The information on this page is an analysis of the National Revenue Fund. Before April 2000, the basis of reporting revenue and expenditure was bank statement transactions, whereas the current reporting relies on cash book transactions as reported in the Statement of Revenue, Expenditure and Borrowing and is therefore not strictly comparable with data prior to April 2000. Total revenue includes amounts in transit before April 2000.
- Including tax on retirement funds, interest on overdue income tax and other taxes on income and profits.
- Including donations tax, estate duty, marketable securities tax and demutualisation levy.
- Sales duty is included before 1983 and general sales tax before October 1991.
- Including levy on financial services, revenue from neighbouring countries and taxes on the use of goods and permission to use goods or to perform activities.
- Including ordinary levy and other taxes on international trade and transactions.
- Including stamp duties and fees and unallocated amounts.
- Southern African Customs Union.
- Including departmental revenue and other miscellaneous revenue.
- Including statutory payments to provinces and other expenditure.

- The information on this page is an analysis of the National Revenue Fund. Before April 2000, the basis of reporting revenue and expenditure was bank statement transactions, whereas the current reporting relies on cash book transactions as reported in the Statement of Revenue, Expenditure and Borrowing and is therefore not strictly comparable with data prior to April 2000. Total revenue includes amounts in transit before April 2000.
- Including tax on retirement funds, interest on overdue income tax and other taxes on income and profits.
- Including donations tax, estate duty, marketable securities tax and demutualisation levy.
- Sales duty is included before 1983 and general sales tax before October 1991.
- Including levy on financial services, revenue from neighbouring countries and taxes on the use of goods and permission to use goods or to perform activities.
- Including ordinary levy and other taxes on international trade and transactions.
- Including stamp duties and fees and unallocated amounts.
- Southern African Customs Union.
- Including departmental revenue and other miscellaneous revenue.
- Including statutory payments to provinces and other expenditure.
