KB601

\* Data for the past four years are preliminary and subject to revision.

1. After consumption of fixed capital and after inventory valuation adjustment.

2. At replacement value.

3. Including non-profit institutions serving households.

4. Current expenditure on salaries and wages and on goods and other services of a non-capital nature by the services departments (not business enterprises) of general government. General government includes central government, provincial governments and local governments.

5. After inventory valuation adjustment.

Gross value added by kind of economic activity<sup>1</sup>

KB631

1. The data in this table refer to private households (including pension and provident funds and long-term insurance funds), non-incorporated business enterprises and private non-profit institutions (e.g. churches, welfare organisations and sport clubs) that render social and community services to households.
2. After adjustment for net compensation paid to non-residents.
3. Gross saving after consumption of fixed capital and inventory valuation adjustment.

## National accounts
