Data of investment subsidiaries and data of property companies that are directly or indirectly controlled by insurers are consolidated with those of parent organisations.
- Including mutual banks.
- Balances due to insurers and reinsurers.
- Pension and retirement annuity fund business.
- Difference between insurance fund and liability under unexpired policies.
- Including outside shareholders in subsidiaries.
- Including company stock, debentures and preference shares, and government-guaranteed stock.
- Including units of unit and property trusts.
- Including loan levy, loans to local governments, public corporations and, as from September 1979, also universities.
- Including net foreign claims.
- All annual data as from 1990 and all quarterly data as from December 1991 are recorded at market value.
