KB601

* Data for the past four years are preliminary and subject to revision.

1. After consumption of fixed capital and after inventory valuation adjustment.

2. At replacement value.

3. Including non-profit institutions serving households.

4. Current expenditure on salaries and wages, and on goods and other services of a non-capital nature by the services departments (not business enterprises) of general government. General government includes central government, provincial governments and local governments.

5. After inventory valuation adjustment.

KB604

1. Including non-profit institutions serving households.

2. Current expenditure on salaries and wages, and on goods and other services of a non-capital nature by the services departments (not business enterprises) of general government. General government includes central government, provincial governments and local governments.

3. After inventory valuation adjustment.

KB640

1. Rent on land and subsoil assets.

2. Amortised discount included.

3. Including current transfers in the form of membership dues, subscriptions, voluntary donations, transfers in kind, etc., to households and NPISHs, payments of compensation for injury or damage to property (excluding non-life insurance claims) and current transfers in cash or kind to the rest of the world but excluding transfers to provincial extra budgetary institutions.

4. Current expenditure on salaries and wages, and on goods and other services of a non-capital nature by the services departments (not business enterprises) of general government. General government includes central government, provincial governments and local governments.

5. At replacement value.

6. After inventory valuation adjustment.

1. The data in this table refer to private households (including pension and provident funds and long-term insurance funds), non-incorporated business enterprises and private non-profit institutions (e.g., churches, welfare organisations and sport clubs) that render social and community services to households.

2. After adjustment for net compensation paid to non-residents.

3. Gross saving after consumption of fixed capital and inventory valuation adjustment.
