1 Including non-profit institutions serving households

2 This value is an approximation to the net international investment position excluding monetary gold, which has no corresponding liability in the financial balance sheets.

3 This is the value of the monetary gold held by the SARB as at 30 June 2024; it equates to the difference between the balanced assets and liabilities because monetary gold has no corresponding liability in the financial balance sheets.

Components may not add up to totals due to rounding off.
