- Banks registered under the Banks Act No. 94 of 1990; it includes former banks, discount houses and equity building societies. All series may not be strictly comparable due to changes in regulations and returns; distortions were concentrated in February and July 1991, as well as in January 2008 and January 2011.

 Includes certain items previously classified as loans, as from January 2008.

 Debentures and loans, that formed part of secondary and tertiary capital before January 2008, are included in debt securities.

 As from January 2012 both senior and subordinated debt securities are included.

 Includes collaterised borrowing since January 2008. Before January 2008 it included items previously classified as loans and advances, and other funding-related liabilities.

 Only outstanding acceptances up to December 1991.
