9. Memoranda of understanding concluded between the Bank Supervision Department of the South African Reserve Bank and foreign supervisors as at 31 December 2011	111
10. Selected information on South African banks	113
References	144
Abbreviations	144
Glossary	146
Box	
Box 4.1 Calculation of expected loss for internal ratings-based banks.....	85
Figures	
2.1 Reporting methods applied by banks	30
2.2 Number of trading banks per market risk approach.....	35
3.1 Number of inspections relating to illegal deposit-taking schemes	50
4.1 Herfindahl–Hirshman Index for the South African banking system (2006–2011)...	56
4.2 Shareholding structure of the South African banking sector (nominal value of shares) (per cent)	57
4.3 Global presence of South African banking groups	58
4.4 Total banking-sector assets in relation to gross domestic product.....	58

4.5	Total banking-sector assets, gross loans and advances, and their respective growth rates (year on year).....	59
4.6	Composition of total banking-sector assets	60
4.7	Growth rates of selected asset classes within gross loans and advances (year on year)	60
4.8	Banking-book versus trading-book assets (as a percentage of total banking-sector assets).....	61
4.9	Composition of gross loans and advances (per cent).....	61
4.10	Loans and advances to banks	62
4.11	Foreign-currency loans and advances (as a percentage of total assets) and the total of foreign-currency deposits and foreign-currency funding (as a percentage of total liabilities)	63
4.12	Composition of liabilities	63
4.13	Asset and liability position in derivative financial instruments (as a percentage of equity attributable to equity holders)	64
4.14	Term debt instruments qualifying as regulatory capital (as a percentage of total term debt instruments)	65
4.15	Composition of deposits (per cent)	65
4.16	Sources of total deposits (as a percentage of total deposits)	66
4.17	Composition of total equity	67
4.18	Financial leverage multiple	67
4.19	Growth rates of total banking-sector assets and equity attributable to equity holders (year on year).....	68
4.20	Composition of total banking-sector assets in respect of the five largest banks, branches of international banks and other banks (per cent).....	68
4.21	Banking-sector assets for banks solo, banks consolidated and consolidated banking groups.....	69
4.22	Composition of total equity for consolidated banking groups.....	69
4.23	Total off-balance-sheet items in relation to total banking-sector assets.....	70
4.24	Composition of total off-balance-sheet items (per cent)	70
4.25	Composition of the income statement (smoothed).....	71
4.26	Credit losses to net interest income (smoothed)	72
4.27	Composition of gross operating income (smoothed) (per cent)	72
4.28	Banking-book income versus trading-book income (unsmoothed) (as a percentage of gross operating income)	73
4.29	Composition of operating expenses (smoothed (per cent)	73
4.30	Net interest income ratio (smoothed)	74
4.31	Profitability ratios (smoothed)	74
4.32	Cost-to-income ratio (smoothed)	75
4.33	Capital-adequacy ratios (bank solo)	76
4.34	Composition of qualifying regulatory capital and reserve funds (bank solo)	76
4.35	Total risk-weighted exposure (bank solo).....	77
4.36	Capital-adequacy ratios (consolidated banking groups)	77
4.37	Statutory liquid assets (actual versus required)	78
4.38	Contractual maturity of liabilities (as a percentage of total liabilities)	79
4.39	Business-as-usual maturity of liabilities (as a percentage of total liabilities).....	79
4.40	Concentration of short-term deposit funding (as a percentage of total banking-sector liabilities).....	80
4.41	Gross credit exposures and risk-weighted exposures per asset class	81

4.42	Impaired advances to gross loans and advances	82
4.43	Specific and portfolio credit impairments.....	82
4.44	Specific credit impairment ratios.....	83
4.45	Risk-weighting distribution of credit exposures under the standardised approach.....	83
4.46	Classification of credit risk exposures under the standardised approach.....	84
4.47	Exposures classified as 'sub-standard', 'doubtful' and 'loss' measured against specific credit impairments and collateral	85
4.48	Distribution of retail exposures at default into standard probability of default bands.....	87
4.49	Distribution of corporate exposures at default into standard probability of default bands.....	87
4.50	Total exposure at default.....	88
4.51	Total default exposure and default ratio per asset class	88
4.52	Composition of retail default exposures and their respective default ratios	89
4.53	Composition of corporate default exposures (excluding specialised lending) and small and medium corporate enterprises' default exposures, and their respective default ratios	90
4.54	Composition of regulatory capital requirement in respect of market risk	92
4.55	Composition of monthly turnover in derivative contracts (gross notional value)	92
4.56	Composition of unexpired derivative contracts at month-end (gross notional value)	93
4.57	Composition of unexpired derivative contracts at month-end: Exchange traded (gross notional value)	93
4.58	Composition of unexpired derivative contracts at month-end: Over-the-counter traded (gross notional value)	94
4.59	Aggregated effective net open foreign-currency position (as a percentage of qualifying regulatory capital).....	95
4.60	Aggregated effective net open foreign-currency position per currency	95
4.61	Position in foreign-currency instruments	96

Tables

1.1	Key local training interventions.....	15
1.2	Key international training interventions	16
3.1	Inspections relating to illegal deposit-taking schemes.....	50
4.1	South African banking sector: Number of entities registered or licensed.....	56
4.2	South African banking sector: Number of approvals for local and international expansions granted in terms of section 52 of the Banks Act, 1990	57
4.3	Classification of credit risk exposures in terms of the standardised approach.....	84
4.4	Key credit risk indicators reported by internal ratings-based banks	86
4.5	Sectoral distribution of credit exposures (as a percentage of total credit exposure)	90
4.6	Geographic distribution of credit exposures (as a percentage of total credit exposure)	91
