Disclaimer

The Currency and Exchanges guidelines for individuals (guidelines) are issued to assist individuals and other interested parties by providing a general understanding of the exchange control system in the Republic of South Africa. It does not have any statutory force nor does it replace or supersede the Exchange Control Regulations (Regulations) promulgated in terms of section 9 of the Currency and Exchanges Act, 1933 (Act No. 9 of 1933) or any permission, exemption or condition granted or attached to certain transactions in terms of the Regulations.

The arrangements set out in the guidelines should in no manner be construed as absolving individuals from their duties and obligations under any other law, including but not limited to the Prevention of Organised Crime Act, 1998 (Act No. 121 of 1998), the Financial Intelligence Centre Act, 2001 (Act No. 38 of 2001) and the Protection of Constitutional Democracy against Terrorist and Related Activities Act, 2004 (Act No. 33 of 2004).

The Financial Surveillance Department of the South African Reserve Bank (Financial Surveillance Department) views contraventions of the Exchange Control Regulations, as well as any actions to circumvent the permissions and conditions contained in the Currency and Exchanges Manual for Authorised Dealers in foreign exchange (Authorised Dealer Manual) and the Currency and Exchanges Manual for Authorised Dealers in foreign exchange with limited authority (ADLA Manual) in a serious light.

The Exchange Control Regulations, Orders and Rules, Authorised Dealer Manual and the ADLA Manual are available on the South African Reserve Bank website: www.reservebank.co.za.

3.6.2 Conditions

Individuals may not utilise funds in terms of the aforementioned dispensation or any other authorised foreign assets to enter into a transaction or a series of transactions to directly or indirectly acquire shares or some other interests in a CMA asset (i.e. through a 'loop structure'). Similarly, such funds may not be re-introduced as a loan to a CMA resident.

However, unintentional 'loop structures' created with legal foreign capital invested with non-resident asset or fund managers who invest in foreign companies that have CMA assets and/or offshore global investment funds that directly or indirectly holds CMA investments over which the South African investor has no control, are permitted.

The transfer of South African owned intellectual property by way of sale, assignment or cession and/or the waiver of rights in favour of non-residents in whatever form, directly or indirectly, is not allowed without the prior written approval of the Financial Surveillance Department.

South African residents may, however, sell, transfer and assign intellectual property to unrelated non-resident parties at an arm's length and a fair and market related price, provided they present to Authorised Dealers the sale, transfer or assignment agreement and an auditor's letter or intellectual property valuation certificate confirming the basis for calculating the sale price. The dispensation excludes sale and lease back agreements.

All inward funds emanating from such transactions must be repatriated to South Africa within a period of 30 days from the date of becoming entitled thereto.

South African residents may license intellectual property to non-resident parties at an arm's length and a fair and market related price for the term of the agreement, provided that they present Authorised Dealers with the licence agreement and an auditor's letter confirming the basis for calculating the royalty or licence fee.

All royalties and/or fees emanating from such transactions must be repatriated to South Africa within a period of 30 days from the date of becoming entitled thereto.

The sale, transfer, assignment and/or licensing of intellectual property is subject to appropriate tax treatment.

3.6.3 Funding structure

Individuals may raise loans abroad to finance the acquisition of foreign assets without recourse to South Africa. Only authorised foreign assets may be used as collateral in this instance and under no circumstances may local guarantees or suretyships be issued or may South African assets be encumbered.

Individuals are allowed to participate in offshore share incentive or share option schemes, provided that such participation is financed under the R10 million foreign capital allowance and/or the R1 million single discretionary allowance.

Individuals are allowed to take up new shares in foreign companies that have accrued by way of rights on existing holdings of shares, provided that transfers in payment thereof are dealt with in terms of the R10 million foreign capital allowance and/or the R1 million single discretionary allowance.

3.6.4 Income earned abroad and foreign capital introduced

Income earned abroad on or after 1997-07-01 may be retained abroad. It should be noted that income earned abroad and own foreign capital introduced (excluding export proceeds, sale proceeds from the sale of South African assets and capital repatriated on which the 5 per cent levy has been paid in terms of the Exchange Control Amnesty and Amendment of Taxation Laws Act, 2003 (Act No. 12 of 2003) into South Africa from the above-mentioned date by individuals resident in South Africa, may be re-transferred abroad (excluding any growth on the funds introduced). Documentary evidence confirming that the income and/or capital had previously been converted to Rand must be furnished to the Authorised Dealer concerned and only the Rand equivalent of any amount repatriated is eligible for re-transfer abroad.

In cases where income is earned abroad as a result of services rendered by individuals normally resident in South Africa, such individuals should be physically abroad whilst rendering these services, in order to qualify for the aforementioned dispensation.

3.7 Import payments

Payments effected under this section require the presentation of documentation and will not be deducted from the single discretionary allowance limit of R1 million per calendar year.

3.7.1 Import payments via credit and/or debit cards

Individuals with locally issued credit and/or debit cards are permitted to make foreign currency payments for small transactions (e.g. imports over the Internet) by means of such credit and/or debit cards. Payments are limited to R50 000 per transaction. Cardholders will, however, not be absolved from ad valorem excise and custom duties or from complying with the requirements imposed by Customs.

Any singular transaction exceeding R50 000 may not be split to circumvent the limit applicable to this dispensation.

3.7.2 Import payments via an Authorised Dealer in foreign exchange

Individuals may purchase foreign currency for payment of imports via an Authorised Dealer.

Where an import permit is required, residents must ensure that a covering import permit issued by ITAC is obtained.

All documentation must be retained by the resident for a period of at least five years.

Since Botswana is a member of the Custom Union, imports from Botswana may be paid for against the commercial invoice issued by the supplier and the consignee's copy of the prescribed SARS Customs Declaration.

Where goods for which payment has been made from South Africa have not been or will not be consigned to South Africa within four months of the date of payment, the importer must within 14 days of the expiry of such period advise the Authorised Dealer through whom foreign currency was purchased of this fact.

In cases where an importer fails to provide import documentation or to report the non-receipt of goods within the above-mentioned four month period to the Authorised Dealer concerned, such Authorised Dealer may cease providing foreign currency to the importer until the matter has been satisfactorily resolved. Any non-compliance will be reported to the Financial Surveillance Department who may issue an instruction to all Authorised Dealers that no foreign currency may be provided to such importer until the matter has been satisfactorily resolved.

Individuals who wish to hedge their import commitments must approach their Authorised Dealer in this regard.

3.7.3 Philatelic imports and numismatic imports

Residents must approach their Authorised Dealers who may grant foreign currency in payment of import for numismatic (excluding South African gold coins minted in 1962 and thereafter) and philatelic purposes. The Authorised Dealer will furnish applicants with a letter of authority for submission to the appropriate government department.

The government department concerned will endorse, on the face of the letter, the value of each parcel received in South Africa during the relative period. When this authority has been fully used or on the date of its expiry, the relative letter of authority must be returned to the Authorised Dealer concerned before a new letter in respect of any subsequent period is issued.

Matters relating to the importation of medals, medallions, pendants and other similar non-currency articles must be referred to ITAC.

3.8 Miscellaneous commercial payments and receipts

- 3.8.1 Payments effected under this section require the presentation of documentation and will not be deducted from the single discretionary allowance limit of R1 million per calendar year.
- 3.8.2 Miscellaneous commercial payments inclusive of associated costs to non-residents may be effected via an Authorised Dealer in respect of legitimate foreign obligations.
- 3.8.3 The following conditions are also applicable:
 - (a) foreign currency payments may also be made in advance against documentary evidence, e.g. an invoice or agreement;
 - (b) residents may approach their Authorised Dealer to issue guarantees on their behalf in favour of non-residents with the exception of guarantees for capital transactions and currency transfer guarantees, which need to be referred via an Authorised Dealer to the Financial Surveillance Department. Authorised

Dealers may also, where applicable, approve the extension of the aforementioned guarantees;

- (c) residents may not participate in lotteries organised abroad, as such participation contravenes the Lotteries Act, 1997 (Act No. 57 of 1997). Furthermore, in terms of the National Gambling Act, 2004 (Act No. 7 of 2004), as amended by the National Gambling Amendment Act, 2008 (Act No. 10 of 2008), residents may not participate in any gambling activities not authorised in terms of the afore-mentioned Act;
- (d) South African securities may be exported by residents for sale abroad only through an Authorised Dealer and the sale proceeds must be repatriated to South Africa;
- (e) residents may only purchase securities abroad within the R10 million foreign capital allowance, within the single discretionary allowance limit of R1 million per calendar year, or through the use of exempted foreign assets. All other applications for purchases of securities abroad must be referred by the Authorised Dealer to the Financial Surveillance Department; and
- (f) residents must sell to Authorised Dealers within 30 days all foreign bank notes received from non-residents as payment for legitimate transactions, e.g. services rendered, gratuities, tips or gifts.

3.9 Securities control

Residents may not act as a nominee for a non-resident purchasing shares or securities in South Africa, unless permission has been obtained via an Authorised Dealer from the Financial Surveillance Department.

Residents of the CMA who deal in securities may not register an address outside the CMA without obtaining the specific prior written approval of the Financial Surveillance Department, via an Authorised Dealer. The applications to the Financial Surveillance Department must contain full and precise details of the request.

Residents may under no circumstances have local dividends on South African registered shares paid outside the CMA without specific prior written approval from the Financial Surveillance Department.

Individuals can invest without restriction in locally managed investment products that have foreign exposures, such as collective investment schemes and long-term insurance policies.

3.10 Legacies and distributions

3.10.1 Legacies and distributions from resident estates

Cash bequests and the cash proceeds of legacies and distributions from resident estates due to non-resident private individuals, non-resident entities and/or trusts with no direct and/or indirect South African interest, including emigrants, may be remitted abroad, provided that the Liquidation and Distribution Account bearing a

Master of the High Court reference number is available. In cases where the total assets of the resident estate is less than R250 000, cash bequests and the cash proceeds of legacies due to non-resident private individuals, non-resident entities and/or trusts with no direct and/or indirect South African interest, including emigrants, may be remitted abroad, provided that the Last Will and Testament and Letter of Executorship or Authority are available.

In all cases where such an estate holds authorised foreign assets, distribution of the foreign assets may be effected to non-residents, provided that all foreign administrative and related costs have been met from the foreign portion of the estate.

Other assets inherited by non-residents may be exported under cover of the required SARS Customs Declaration provided that such articles are bequeathed to the beneficiaries in terms of the deceased's will or otherwise in terms of the Liquidation and Distribution Account bearing a Master of the High Court reference number.

Capital distributions from local testamentary trusts due to non-residents may be remitted abroad, provided that the trustees resolution confirming the capital distribution and the Last Will and Testament confirming that the beneficiary is entitled to such capital distribution are available.

Distributions as a result of the renunciation of a beneficiary's right to capital of a testamentary trust must be referred via an Authorised Dealer to the Financial Surveillance Department.

3.10.2 Gifts and/or donations from non-residents

Any foreign assets received by a resident from a non-resident as a gift or donation must be declared to an Authorised Dealer and be repatriated to South Africa. Alternatively, a fully motivated application to retain the assets abroad must be submitted via an Authorised Dealer to the Financial Surveillance Department.

3.10.3 Foreign inheritance and legacies from bona fide non-resident estates

Residents are not required to declare to their Authorised Dealer inheritances or legacies from bona fide foreign estates that accrued after 1998-03-17 and may retain the capital and any income generated thereon abroad. The retention of such assets abroad is subject to the conditions that the assets will not be placed at the disposal of other South African residents or used to create 'loop structures'.

Residents are normally not permitted to place their foreign assets at the disposal of third parties normally resident in South Africa without the specific prior written approval of the Financial Surveillance Department (i.e. the sale in Rand or foreign currency of legally held foreign assets and loans to other South African residents or the creation of 'loop structures').

3.10.4 Foreign inheritance and legacies from South African estates with foreign assets

Any foreign assets inherited by a resident from the estate of a deceased South African resident must be declared to the Financial Surveillance Department via an Authorised Dealer. Such foreign assets may, however, be retained abroad provided that the assets were held abroad by the original South African owner thereof in compliance with the provisions of the Regulations (e.g. the foreign capital allowance) and that no 'loop structure' exists. The retention of such assets abroad is subject to the condition that the assets will not be placed at the disposal of other South African residents, or used to create 'loop structures'. Any existing 'loop structure' must be referred to the Financial Surveillance Department via an Authorised Dealer.

Where it is disclosed to the Financial Surveillance Department that the foreign assets inherited were held by the deceased in a manner contrary to the provisions of the Regulations, including 'loop structures', an application for regularisation of such assets must be submitted via an Authorised Dealer to the Financial Surveillance Department.

If approved, the retention of such assets abroad may be subject to the payment of a levy and will be conditional upon the assets not being placed at the disposal of other residents or used to create 'loop structures'.

Foreign assets inherited and which were held abroad by the resident beneficiary not in compliance with the provisions of the Regulations, for example the resident beneficiary created a 'loop structure' after receiving the inheritance from the deceased's estate, must apply for regularisation via an Authorised Dealer to the Financial Surveillance Department.

3.11 Export of goods

3.11.1 Individuals exporting goods must comply with the following conditions:

In respect of the temporary export of motor vehicles to all countries outside the CMA, residents must complete the prescribed SARS Customs Declaration and such vehicle must be returned to South Africa within a period of six months.

- 3.11.3 All temporary exports of items or goods such as personal effects and jewellery to countries outside the CMA, for which no payment is to be received in South Africa, must where required, be supported by the prescribed SARS Customs Declaration. These goods or replacement items must be returned to South Africa within a period of six months.

Should the insurance value of the above-mentioned goods taken by the traveller exceed R200 000, the prior written approval of the Financial Surveillance Department must be obtained.

Requests to export any items or goods, with an insurance value in excess of R50 000, for which no payment will be received and where the items exported will not be returned to South Africa, must be referred to the Financial Surveillance Department.

- 3.11.4 Residents who wish to hedge their exchange rate or currency risk must approach their Authorised Dealer in this regard.

3.12 Residents borrowing abroad

- 3.12.1 Resident individuals must approach their Authorised Dealer to obtain approval to avail of inward foreign loans and foreign trade finance facilities from any non-resident and such loans must be recorded via the Loan Reporting System by the Authorised Dealer concerned.

- (b) the interest rate in respect of third party foreign denominated loans may not exceed the base lending rate plus 3 per cent or, in the case of shareholders' loans, the base lending rate as determined by commercial banks in the country of denomination;
- (c) the interest rate in respect of Rand denominated loans may not exceed the base rate, i.e. prime rate, plus 5 per cent on third party loans or the base rate, in the case of shareholders' loans;
- (d) the fixed interest rate linked to the base rate, if applicable, may not exceed the interest rate mentioned in (bb) or (cc) above. In this regard, approved inward foreign loans should always be adjusted accordingly in line with the set criteria;
- (e) the loan funds to be introduced may not represent or be sourced from a South African resident's foreign capital allowance, foreign earnings retained abroad, funds for which amnesty had been granted in terms of the Exchange Control Amnesty and Amendment of Taxation Laws Act, 2003 (Act No. 12 of 2003), funds regularised under the Exchange Control Voluntary Disclosure Programme and/or foreign inheritances;

If the above-mentioned requirements cannot be met, a suitable application must be submitted via an Authorised Dealer to the Financial Surveillance Department.

 - (a) a foreign capital allowance of up to R20 million per calendar year after all liabilities including the cost of the relative passenger tickets and the applicable travel allowances in (b) below have been provided for;
 - (b) in addition, a travel allowance applicable to each member of the family unit on the basis and subject to the prescribed limits; and
 - (c) a widow or widower or a single parent with accompanying dependant(s) may also be regarded as a family unit.
- 4.3 Single persons may be accorded a foreign capital allowance of up to R10 million per calendar year after all liabilities including the cost of the relative passenger ticket and the applicable travel allowance, have been provided for.
- 4.4 Quoted and/or unquoted securities may be exported as part of or in lieu of the applicable foreign capital allowance based on the market value thereof at the time of availing of the applicable allowance. The relevant securities must, of course, be endorsed 'non-resident' by the Authorised Dealer concerned.
- 4.5 Donations or gifts in excess of R100 000 received within three years or capital

distributions from inter vivos trusts within three years, prior to the date of emigration, will be deducted by your Authorised Dealer prior to according the remaining foreign capital allowance.

- (a) any cash balances remaining after the appropriate facilities have been granted and all capital payments accruing thereafter to the emigrant, as well as the total proceeds of any asset subsequently sold, will require to be credited to an emigrant's capital account, i.e. current, savings or interest bearing deposit account with an Authorised Dealer. Such funds may be utilised locally for any purpose, including locally managed investment products that have foreign exposures, such as collective investment schemes and long-term insurance policies, subject to the following:
 - (aa) where such funds are utilised for investment purposes, e.g. investment in unit certificates issued by companies registered under the Collective Investment Schemes Control Act, 2002 (Act No. 45 of 2002), Authorised Dealers must at all times be able to demonstrate that such investments are being held to their order;

- (b) any other South African assets belonging to the emigrants at the time of their departure or accruing to them thereafter must be brought under the administration of an Authorised Dealer. The Financial Surveillance Department will, on application via an Authorised Dealer, consider requests to transfer the emigrants' remaining liquid assets or the export of quoted and/or unquoted securities in lieu of cash, exceeding the foreign capital allowance limit of R20 million per family unit or R10 million per single person. Emigrants wishing to avail of the aforementioned dispensation must obtain a TCS PIN verifying the taxpayer's tax compliance status which must accompany their application to the Financial Surveillance Department, for consideration; and
- (c) the proceeds from insurance policies may be transferred directly to the emigrant abroad where the emigrant has no bank account in South Africa, provided that the foreign capital allowance limit will not be exceeded.

- (a) the funds represent earned income from normal trading activities and do not include any element of a capital nature, e.g. the sale proceeds of assets or the revaluation of assets;
- (b) the funds do not represent future income;
- (c) where applicable the assets from which the income accrues are the sole property of the emigrant;
- (d) no third party has any interest therein; and

4.13 Dividends, profit or income distributions received from non-quoted entities (excluding trusts) must be supported by an auditor's report and representation letter. The format is specified in the Authorised Dealer Manual. Dividend distributions from quoted entities in favour of emigrant beneficiaries are transferable.

4.14 Requests for the transfer of income to the emigrant beneficiaries of a trust created in terms of a Last Will and Testament must be supported by an auditor's report (Form MP1331 or Form MP1332) and representation letter (Form MP1330(a)). The wording and format may be accessed from the South African Reserve Bank's website: www.reservebank.co.za, by following the links: Home>Regulation and supervision>Financial surveillance and exchange controls>Auditors reports and representation letters.

4.15 As an exception, however, where the total net income earned by a will trust does not exceed R500 000 per annum, it is not necessary to submit a Form MP1331 or a Form MP1332 in support of requests for the transfer of income abroad. In this regard a Form MP1330(a) must be submitted to an Authorised Dealer.

4.16 In the case of interim transfers of income from will trusts to emigrant beneficiaries,

an interim representation letter must be submitted. The wording and format may be accessed from the South African Reserve Bank's website: www.reservebank.co.za, by following the links: Home>Regulation and supervision> Financial surveillance and exchange controls>Auditors reports and representation letters.

- 4.18 Emigrants may be granted local financial assistance facilities in respect of bona fide foreign direct investment into South Africa without restrictions. However, where the funds are required for financial transactions and/or the acquisition of residential or commercial property in South Africa, a 1:1 borrowing ratio applies, i.e. for every R1 in cash or assets that a non-resident introduces or owns, such non-resident may borrow an equivalent amount in the local market. Financial transactions, inter alia, include the purchase and sale of any securities (listed or unlisted), hedging, securities lending, repurchase agreements and any derivative transactions on securities. If facilities are granted for the acquisition of fixed property, such facilities may not be increased at any stage based on a revaluation of the property in question. Local financial assistance granted to emigrants that utilise their remaining local Rand balances or Rand assets as collateral must comply with the 1:1 ratio irrespective of the nature of the transaction.
- 4.19 Emigrants who have been permanently resident outside the CMA for a period in excess of five years will on completion of the necessary immigration declaration and undertaking via an Authorised Dealer, be regarded as new immigrants to South Africa by the Financial Surveillance Department.

These effects may be transferred abroad under cover of the required SARS Customs Declaration.
- 5.3 The above provision excludes single transactions up to an amount of R3 000 per transaction per day within a limit of R10 000 per applicant per calendar month.
- 5.4 While the personal banking of foreign nationals temporarily resident in South Africa may be conducted on a resident basis, any interest held by such individuals in local entities (i.e. legal persons) will be deemed as non-resident for the purposes of local financial assistance.
- 5.5 On presentation of documentary evidence to an Authorised Dealer, foreign nationals may also transfer lump-sum commutations and monthly pensions abroad.

The individual must, in need, be able to substantiate the importation thereof by the production of documentary evidence.

6.4 Payments by immigrants:

7. The cross-border foreign exchange transaction reporting requirements

Individuals must note that the reporting of all cross-border foreign exchange transactions by an Authorised Dealer and/or ADLA to the Financial Surveillance Department is compulsory. Accordingly, individuals must provide full details pertaining to the relevant cross-border transaction as requested by the Authorised Dealer and/or ADLA concerned.

The objective of the Reporting System is to ensure accurate and comprehensive reporting of all data by Authorised Dealers and ADLAs on transactions, irrespective of the amount, for compilation of:

When the individual is physically present at the Authorised Dealer/ADLA, the integrated form must be completed and signed by the individual in respect of all inward and outward payments.

When the individual is not physically present to complete and sign the integrated form, the Authorised Dealer/ADLA may complete and sign the integrated form, either physically or electronically, provided that the Authorised Dealer/ADLA has been authorised or mandated to do so by means of a letter, a facsimile message, an email message or by a recorded telephonic message to act on the individual's behalf.

As an exception to the arrangement outlined in the preceding paragraph, an integrated form need not be completed by the client of an Authorised Dealer in respect of inward payments under R50 000 per transaction. In this regard, individuals are advised to liaise with their Authorised Dealer regarding the conditions applicable to this dispensation.

7.2 Declaration

The following declaration is included in the integrated form to be signed by the individual:

CMA country currencies comprise of the following: South African Rand, Lesotho Maloti, Swaziland Emalangenani and Namibian Dollar.

8.2 General

Individuals from other CMA countries should note that South African Authorised Dealers are not permitted to enter into foreign exchange transactions (i.e. in foreign currency other than CMA country currencies) with residents of other CMA countries. If such requests are received, residents of other CMA countries will be referred back to their bankers in the CMA country concerned.

8.3 Travel

As an exception to subsection 8.2 above, foreign currency may be purchased by diplomats, accredited foreign diplomatic staff as well as students with a valid student card from other CMA member countries while in South Africa.

Authorised Dealers and/or ADLAs may also sell foreign currency to CMA residents in South Africa, to cover unforeseen incidental costs whilst in transit, subject to viewing a passenger ticket confirming a destination outside the CMA.

CMA residents who travel overland to and from Namibia through Botswana qualify to be accorded the Botswana Pula equivalent of an amount not exceeding R25 000 per calendar year. This allocation does not form part of the single discretionary allowance limit of R1 million per calendar year for South African residents.

8.4 Export of motor vehicles

Motor vehicles principally designed for the transport of persons and goods, but excluding vehicles exported by diplomatic and foreign representatives and new vehicles exported by local manufacturers or their appointed agents, may not be exported for sale outside the South African Customs Union, i.e. Botswana, Lesotho, Namibia and Swaziland except by virtue of an export permit issued in terms of the International Trade Administration Act, 2002 (Act No. 71 of 2002).
