Authorised Dealers in Foreign Exchange

Authorised Dealers are advised that the French parent of Calyon has changed their name to Credit Agricole Corporate and Investment Bank. Authorised Dealers are, furthermore, advised that whilst the stationery of Calyon now reflects their name as Credit Agricole Corporate and Investment Bank, South Africa Branch, the legal registered entity in South Africa remains Calyon. Pending the formal approval of Credit Agricole Corporate and Investment Bank, South Africa Branch as a Bank in South Africa by the Registrar of Banks as well as their appointment as an Authorised Dealer in Foreign Exchange, Authorised Dealers may continue to conduct foreign currency business with Calyon.
