Legal context

Although the Republic of South Africa (South Africa) has had exchange controls since 1939, the foundation thereof is the Currency and Exchanges Act, 1933 (Act No. 9 of 1933) (the Act) and the Exchange Control Regulations (Regulations) promulgated thereunder in terms of section 9(1) of the Act, on 1961-12-01. In terms of these Regulations, the control over South Africa's foreign currency reserves, including accruals thereto and spending thereof is vested in the Treasury, who is authorised to grant permissions or exemptions for certain transactions, subject to certain conditions. Although these permissions or exemptions which were previously referred to as 'Rulings' have no statutory force, they have the effect of law. 'Treasury', is however defined to mean, in relation to any matter contemplated in the Regulations, the Minister of Finance or an officer in the Department of Finance (now the National Treasury) who, by virtue of the division of work in that Department, deals with the matter on the authority of the Minister of Finance.

The Minister of Finance has in terms of Regulation 22E delegated to the Governor, a Deputy Governor, the Head of the Financial Surveillance Department as well as other officials in the Financial Surveillance Department, the powers, functions and duties assigned to and imposed on the Treasury under the Regulations. The Financial Surveillance Department of the South African Reserve Bank (Financial Surveillance Department) is therefore responsible for the day to day administration of exchange controls in South Africa.

Section 9(5)(a) of the Act provides for the issuing of Orders and Rules, the current set of which was also promulgated on 1961-12-01. The Orders and Rules contain various orders, rules, exemptions, forms and procedural arrangements.

The Financial Surveillance Department, as designated supervisory body is in terms of section 45 of the Financial Intelligence Centre Act, 2001 (Act No. 38 of 2001) (the FIC Act) responsible for supervising and enforcing compliance with the FIC Act or any order, determination or directive made in terms of the FIC Act by all Authorised Dealers in foreign exchange with limited authority (ADLAs) regulated or supervised by it.

---oOo---

Introduction

In terms of Regulation 2(2), an Authorised Dealer shall not buy, borrow, receive, sell, lend or deliver any foreign currency or gold except for such purposes or on such conditions as the Treasury, as defined, may determine, subject to the delegation referred to above.

This Currency and Exchanges Manual for Authorised Dealers in foreign exchange with limited authority (ADLA Manual) contains the permissions and conditions applicable to transactions in foreign exchange that may be undertaken by Authorised Dealers in foreign exchange with limited authority (ADLAs) and/or on behalf of their customers in terms of Regulation 2(2), details of related administrative responsibilities, the FinSurv Reporting requirements as well as the requirements of the FIC Act applicable to ADLAs. This ADLA Manual must be read in conjunction with the Regulations and ADLAs may transact without reference to the Financial Surveillance Department, provided such transactions are permitted in terms of this ADLA Manual.

The arrangements set out in the ADLA Manual should in no manner be construed as absolving ADLAs, their clients and associated entities from their duties and obligations under any other law, including but not limited to the Prevention of Organised Crime Act, 1998 (Act No. 121 of 1998), the Financial Intelligence Centre Act, 2001 (Act No. 38 of 2001) and the Protection of Constitutional Democracy against Terrorist and Related Activities Act, 2004 (Act No. 33 of 2004).

The Financial Surveillance Department views contraventions of the Exchange Control Regulations, as well as any actions to circumvent the permissions and conditions contained in the ADLA Manual, in a very serious light.

The Financial Surveillance Department reserves the right to amend, grant or impose additional permissions or conditions, with new or amended permissions or conditions which will be communicated by the Financial Surveillance Department on its website.

In instances where an Authorised Dealer is not in a position to buy or sell foreign currency in terms of the permissions and conditions set out in the ADLA Manual, an official application with full details applicable to the request must be submitted to the Financial Surveillance Department.

For the benefit of the general public, the Currency and Exchanges Guidelines for Individuals and Currency and Exchanges Guidelines for Business Entities have been published by the Financial Surveillance Department. These guidelines set out, in less technical terms, the permissions and conditions relating to cross-border foreign transactions.

The ADLA Manual, Currency and Exchanges Manual for Authorised Dealers, Currency and Exchanges Guidelines for Individuals, Currency and Exchanges Guidelines for Business Entities and applicable amendments thereto are available on the South African Reserve Bank's website: www.reservebank.co.za.

A.4 Duties and responsibilities of Authorised Dealers in foreign exchange with limited authority

(A) Introduction

- (i) ADLAs should note that when approving requests in terms of the ADLA Manual, they are in terms of the Regulations, not allowed to grant permission to clients and must refrain from using wording that approval/permission is granted in correspondence with their clients. Instead reference should be made to the specific section of the ADLA Manual in terms of which the clients is permitted to transact.
- (ii) In carrying out the important duties entrusted to them, ADLAs should appreciate that uniformity of policy is essential, and that to ensure this it is necessary that the requirements contained in the Regulations, ADLA Manual, circulars, the FIC Act and Regulations under the FIC Act be applied strictly and impartially by all concerned.
- (iii) Any deviation from or non-compliance with the directives contained in the above-mentioned documents must be reported to the Financial Surveillance Department and is regarded in a serious light. ADLAs are urged to adhere strictly to the letter and the spirit of these directives.
- (iv) In the interest of all parties concerned, action may be taken in the event of transgressions of the Regulations, the FIC Act and non-compliance with the requirements outlined in the ADLA Manual. The circulars, other directives and authorities need to be emphasised and adhered to by both the ADLA and its clients.
- (v) ADLAs must ensure that foreign currency is made available for legitimate purposes only.
- (vi) Care must be exercised by ADLAs to ensure that no payments to third parties abroad are effected. Transactions of this nature must be referred to the Financial Surveillance Department for prior written approval.

(B) Procedures to be followed by Authorised Dealers in foreign exchange with limited authority in administering the Exchange Control Regulations

- (i) In cases where an ADLA is uncertain and/or cannot approve the purchase or sale of foreign currency or any other transaction in terms of the permissions, conditions and limits set out in this ADLA Manual or the FIC Act, an application should be submitted to the Financial Surveillance Department through the head office of the ADLA concerned.
- (ii) Should an ADLA have any doubt as to whether or not it may approve a request, an application must be submitted to the Financial Surveillance Department. ADLAs must as a general rule, refrain from their own interpretation of the ADLA Manual.

- (iii) An ADLA must, at the time of applying to register a new branch with the Financial Surveillance Department, supply a branch code number not exceeding eight digits. ADLAs are also required to ensure that when submitting applications to the Financial Surveillance Department the branch code number is reflected on the top of the application. The branch code number may replace the name of the branch or may be reflected together with the name of the branch.
- (iv) When submitting applications for consideration, ADLAs should ensure that the surname and full first names (in the case of an individual) and/or the correct registered name (in the case of a legal entity or juristic person, e.g. companies and partnerships) are furnished. Identification numbers for private individuals and registration numbers in respect of legal entities or juristic persons must also be furnished. The same names must be used in subsequent applications, unless specific attention is drawn to a name change.
- (v) The Financial Surveillance Department is required to be in possession of full information regarding the transaction, its nature and purpose (clearly specifying the motive and intent), before consulting with the Treasury or exercising the powers, functions and/or duties delegated to it by the Minister of Finance. Any previous application that has any bearing (directly or indirectly) on the current application must be referred to as previous related correspondence.
- (vi) ADLAs must state whether or not they recommend the application and their reasons for making or withholding their recommendation.
- (vii) Urgent applications may be submitted through the secure website of the South African Reserve Bank at www7.resbank.co.za/ifirms.nsf. To access this facility, a user-ID and password are required, which can be obtained from the Financial Surveillance Department by sending an email to FNS-HEADTYPIST@resbank.co.za in this regard.
- (viii) Any authority granted by the Financial Surveillance Department to an ADLA is not transferable to another ADLA or Authorised Dealer and should be regarded as cancelled if the applicants concerned do not avail thereof within a period of six months from the date of such authority. The six month validity period would not apply to those authorities that were granted for periods longer than six months. The Financial Surveillance Department, however, reserves the right to cancel any authority with immediate effect.
- (ix) It is essential that all transactions must be concluded on the particular basis as formally sanctioned. Accordingly, any deviation from the arrangements originally approved should be referred to the Financial Surveillance Department.

- (x) ADLAs are required to report all cross-border foreign exchange transactions to the Financial Surveillance Department according to the rules and in the format prescribed in the Business and Technical Specifications document.
- (xi) ADLAs are reminded that the reporting of cross-border foreign exchange transactions, as indicated above, does not exempt them in any way from complying with the requirements contained in the ADLA Manual and the provisions of the Regulations.
- (xii) The arrangements set out in the ADLA Manual should in no manner be construed as absolving ADLAs, their clients and associated entities from their duties and obligations under any other law, including but not limited to the Prevention of Organised Crime Act, 1998 (Act No. 121 of 1998), the Financial Intelligence Centre Act, 2001 (Act No. 38 of 2001) and the Protection of Constitutional Democracy against Terrorist and Related Activities Act, 2004 (Act No. 33 of 2004).

Where the next business trip is to commence within 90 days after returning from a previous business trip, any unutilised foreign currency may be retained by the traveller for use during subsequent business trips.
- (gg) ADLAs may effect advance payments in respect of tours, hotel accommodation and vehicle rental at the request of resident travel agents and/or tour operators. Where transactions cannot be sequenced, they must be submitted individually.

- (hh) In addition to advance payments permitted above, ADLAs may also effect advance payments to secure the venues to host travel incentive scheme rewards events where the names of the attendees are not known. In this regard, a facsimile copy of the overseas invoice or email message, plus the covering invoice from the local organising company may be accepted. When doing the final payment, the final invoice from the organiser must contain the name and address of all participants as well as the foreign currency and/or Rand amount. Where the invoice reflects that the costs include the venue hire, accommodation and conference costs, ADLAs may in such instance make the full advance payment covering such costs.
- (ii) The ThirdParty attributes is mandatory and must be populated with the resident travellers' details, when the final payment is affected. Such transactions must be appropriately sequenced or submitted individually when reporting the transactions by way of the FinSurv Reporting System, to reflect the actual amounts availed of by each of the respective travellers.
- (jj) The advance payments mentioned in (gg) and (hh) and (ii) above must be deducted from the permissible travel allowance.

- (nn) ADLAs, on the integrated form, must with all transactions, record the clients' names, nationalities, residential addresses and telephone numbers to facilitate communication.
- (oo) Travel allowances cover a calendar year. Any traveller not availing of the maximum allowance during a first journey may utilise the unused portion of the annual allowance for a subsequent journey at any time during the same calendar year.
- (pp) While advance payments in terms of (gg) and (hh) and (ii) above may, if needed, be made in a preceding calendar year in respect of a journey commencing in the next calendar year, the amounts involved must be deducted from the travel allowance applicable to the individual concerned in the calendar year in which the journey commences.
- (qq) A person who has not utilised any part of the travel allowance for a particular calendar year and who leaves on a journey that will extend into the next calendar year may be granted the full travel allowance facilities applicable to the calendar year in which the journey commences. The fact that the journey extends into the subsequent calendar year will not debar the granting of further travel allowance facilities for a separate subsequent journey in such calendar year.
- (rr) To the extent that foreign currency previously granted have been repurchased, ADLAs may subsequently furnish the equivalent Rand amount in foreign currency to that person for further travel in the same calendar year, together with any balance that may not have been previously availed of up to the single discretionary allowance limit of R1 million per calendar year.
