

PEM WORKING GROUPS

P4: FOUNDATIONAL ENABLERS

- **QR+:** The working group is designed as a collaborative space for industry role-players to engage on technical and design aspects of the QR+ standard as a pre-payment initiation enabler. Meets weekly.

P5: DIGITAL FINANCIAL IDENTITY (DFID)

- **DFID Update Session:** Meets every second month to provide general DFID programme updates. The session will contain status updates as well as insight into the various areas of the DFID as it evolves and is the one stop session to ensure you stay informed on all things DFID. The sessions will also be used to share opportunities to participate more actively as and when opportunities arise.
- **DFID Solution Collaboration:** Meets once a month. The working group is designed as a collaborative space to engage technical and design aspects of the DFID programme.
- **Industry Governance and Trust co-design:** Meets once a month. These industry focused sessions will promote collaboration on DFID governance and DFID Trust Framework.
- TO JOIN ANY OF THE GROUPS PLEASE SEND AN EMAIL TO SARBPEM@resbank.co.za and indicate which working group you are interested in.
- **Comments on the exemption notice and the authorisation framework should be sent to** NPSDIRECTIVES@resbank.co.za.
