PROMOTING AND ENHANCING **THE SAFETY, SOUNDNESS AND INTEGRITY** OF REGULATED FINANCIAL INSTITUTIONS

3

# Industry Data Taxonomy roadmap
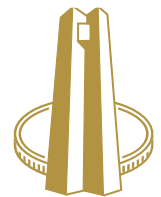

# Data model showcase
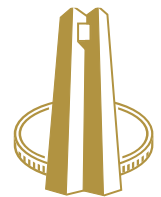

# Next steps

1. The model is available on our webpage. A link will be shared with you following this session
2. The model will be operationalised as part of phase 2 of the Umoja Solution project expected to go-live towards the end of the year
3. We will engage with all industry partners more regularly this year
